

5th International Conference for Advances in Energy Research
December 15th to 17th 2015. IIT Bombay, Mumbai, India

Important Information about ICAER 2015

1. Paper Submission

The deadline for full paper submission is 16th October 2015 (Friday)

Kindly submit the full paper, in the prescribed template available on ICAER website, by uploading the paper on the easy chair account. The easy chair link is available on the conference website.

Kindly DO NOT send the full paper by email. The papers sent by email will not be considered.

The page limit for full paper is 9 – 10 pages, in the template format.

Please check the instructions made available on easy chair submission page thoroughly before submitting the paper

Only the participants who have submitted extended abstract before the deadline and have received the review of abstract as accepted are allowed to submit the full paper.

New abstracts or Full papers without accepted abstracts will not be allowed to be submitted at this stage.

Full paper needs to be submitted for presenting at the conference as an oral or poster presentation

Oral/ poster presentation will not be allowed without submission of full paper.

The authors may choose to publish the paper for publication in journals, the decision whether to publish the full paper in journals after peer review is left at the discretion of the authors.

Only 1 paper can be presented per registration. For authors with multiple papers, separate registration needs to be done for each paper.

The templates for presentation slides and poster will be made available on the conference website.

Abstract acceptance status is communicated to authors via easy chair on the registered email ID. If the authors have not yet received the acceptance/rejection email; kindly write to us.

The paper title can be modified while submitting the full paper, but adhering to the submitted abstract.

Author can be added to the existing list of authors; but any author name deletions are not allowed.

There will be no extension of full paper submission deadline (16th October)

5th International Conference for Advances in Energy Research

December 15th to 17th 2015. IIT Bombay, Mumbai, India

2. Registration and Payments:

The early bird registration deadline is extended to Monday, 19th October for the benefit of the participants who could not complete the registration and payment process.

Registration needs to be done on the ICAER website online registration page <http://www.ese.iitb.ac.in/icaer2015/registration.html>

Please create an account or log in using your credentials if you have already registered. Please choose correctly the registration category and type (National / International and Student/Academic/Industry) whichever applies to you. Save and Proceed.

Please correctly enter your personal details for registration, along with the paper number; if you are presenting a paper. You can register and attend the conference even without a paper.

The save and proceed button takes you to the payment page.

Payment has to be made online using the HDFC bank payment gateway.

Kindly note that credit or debit card issued by any bank can be used for making the payment.

On the conference website, payment section : HDFC bank is only the payment gateway provider, and payment option is NOT limited to HDFC bank cards.

In case you face issues or difficulties during registration and payment process, please send an email to icaer2015@gmail.com with subject line : "ICAER 2015: Registration and Payment issue" Kindly attach the screenshot of the page where the registration or payment fails. We would get back to you with the resolution of the issue.

Kindly note, there has to be a separate registration and payment for every paper, for individuals with more than one paper submitted.

In case you do not see the new early bird registration date and fees displayed correctly, please refresh the web page.

Note that your participation is complete only after making the payment of registration fees, and not merely completing the registration form.

Conference registration fee waivers are not possible, other than for exceptional cases, which would be decided by the organizing committee.

5th International Conference for Advances in Energy Research

December 15th to 17th 2015. IIT Bombay, Mumbai, India

3. Accommodation:

ICAER 2015 organisers DO NOT book accommodation for the participants. Kindly do not send email requests for booking accommodation in guest house or hotels.

Accommodation is available in either student hostels or hotels nearby IITB campus.

For booking Hotel accommodation, kindly contact the hotel directly for booking. A list of hotels, along with address and contact details is available on ICAER website accommodation page. ICAER organisers have no role in booking or providing hotel accommodation.

A limited number of hostel rooms are available for participants on a payment basis. Please fill up the online form available on ICAER website accommodation page. Please fill all the details. The hostel room allotment is on first come first serve basis.

Please note that accommodation is NOT included in the conference registration fees.

No travel allowance TA/DA is paid by the organisers for attending the conference.

4. Program:

The list of speakers and their research profiles are available on the program page.

The schedule of the conference will be uploaded on the Program section 1 month before the conference.

5. Workshops:

Workshops would be conducted in conjunction with the conference.

Workshop-1 on Electrochemical Techniques, 14th December 2015

(Organized by DESE, IIT Bombay and Bio-Logic Sc. Instruments, India)

Registrations are open for the workshop. Please register and pay the registration fees on the website for confirming your participation. Since this is a demo and hands on workshop, only 60 registrations are available on a first come first serve basis.

Workshop 2 on Solar Energy and Energy Storage (Organized by MAGEEP and NCPRE-IAP)

This workshop is for industry participants only.

The details about the workshop would be shortly made available on the website.
