6th International Conference on Advances in Energy Research

**12th -14th December
2017**

**Victor Menezes
Convention Centre,
IIT Bombay**

Important Dates:

**Paper submissions
now open**

Deadline for
Submission of papers:
31st August 2017

Notification of paper
acceptance:
29th October 2017

Submission of papers in
final format:
15th November 2017

Early Bird Registrations
close:
31st October 2017

Depleting fossil fuels and climate change puts forward great challenges for the researchers. A future path providing "Energy for All" needs to be forged. Department of Energy Science and Engineering, IIT Bombay invites you to the 6th International Conference on "Advances in Energy Research" to provide an excellent platform to exchange new ideas, discuss new developments and finally look at the challenges ahead.

Conference Themes

- Solar Photovoltaic Systems
- Energy Storage and Conversion Systems
- Energy Systems: Policy/Economics/Management
- Concentrated Solar Power/Wind Energy Systems
- Transport & Power: Conventional and Alternative Fuels
- Smart and Microgrids/Grid Integration of Renewables

www.ese.iitb.ac.in/icaer2017

Paper Submissions:

- Submissions to ICAER 2017 will be selected for oral or poster presentation on the basis of peer review.
- The official language of the conference is English.
- The full paper needs to be submitted online.
- Detailed instructions for manuscript preparation and paper submission are made available on the conference website.
- The abstracts would be published in the conference book of abstracts and selected papers would be published in international peer reviewed journals.

About Mumbai

The financial capital and the largest metropolis in India, Mumbai is a diverse, vibrant, multi-cultural, modern city. Situated on the west coast of India, Mumbai is the capital of the state of Maharashtra and home to 20 million people.

Location

The IIT Bombay campus is located at Powai, a suburb in north eastern Mumbai. The campus at Powai is nestled among hills on the edge of Sanjay Gandhi national park and is flanked by the Powai and Vihar lakes.

Getting to IIT Bombay

Mumbai is a metropolis, and is well connected by road, rail and air transport. IIT Bombay is located about 12 km from Chhatrapati Shivaji International Airport, Mumbai. The campus can be conveniently reached by public transport as well as taxis and auto-rickshaws.

Accommodation

Accommodation would be made available on payment basis in hotels, guest houses and institute hostels, as per requirement. Details would be made available on the website.
