Submission guidelines

Submit your full paper here

- On clicking the link, the pages shown below will open.

- For 1st time user, please register using your email address from the option available on the top right corner as on the previous slide. You will see a screen as shown below. Use “Login” if you have already registered on the OCS.

The screenshot shows a web browser window with the URL <https://ocs.springer.com/misc/requestregistration/ICAER2019?sessionId=EUtEuu70ZJitfQZnvMyTajlUrwz3U2vqWP2IVza.sn-prod-app-04>. The page has a navigation bar with links for OCS, Conference, Paper list, Sessions, Submission, Registration, and Login. The main content area is titled "Registration request" and contains the following text: "In order to register for the conference service, please provide a valid e-mail address below. You will receive a confirmation e-mail containing further instructions." Below this is a text input field for the email address containing "abcd@xyz.com". Another instruction reads: "In order to prevent automated requests, we need to verify that you are a human person. Please enter the text below." This is followed by a CAPTCHA image showing the characters "aa5xc" and a corresponding input field containing "aa5xd". A "Send request" button is located below the CAPTCHA. The footer of the page includes links for "Howtos", "User guide", and "Imprint".

- Once you enter your email address, a link with further instructions will be sent to the email address. On clicking the link, you will be directed to the registration page as shown below. Fill in the required details and register.

First name*:	<input type="text" value="Abcd"/>
Last name*:	<input type="text" value="Qwerty"/>
Organization:	<input type="text" value="Indian Institute of Technology Bombay"/>
Department:	<input type="text" value="Department of Energy Science and Engineering"/>
Street, Street Number:	<input type="text" value="Powai"/>
Zip code:	<input type="text" value="400076"/>
City:	<input type="text" value="Mumbai"/>
State:	<input type="text" value="India"/>
Country:	<input type="text" value="India"/>
Timezone*:	<input type="text" value="Asia/Calcutta (GMT+05:30)"/>

Telephone:	<input type="text" value="+919876501234"/>
Fax:	<input type="text"/>
E-mail address*:	<input type="text" value="abcd@xyz.com"/>
Password*:	<input type="password" value="*****"/>
Repeat password*:	<input type="password" value="*****"/>
<input type="button" value="Register"/>	

Establishing secure connection...

- After registration you will be directed to the “OCS” tab. Select the “Conference list” to get the details and paper submission for ICAER 2019.

The screenshot shows the OCS (Online Conference Service) interface. At the top, there is a navigation bar with a home icon, the text "OCS", a "Conference list" tab, and a "Logout" button. Below the navigation bar, the main heading reads "Welcome to the Online Conference Service". To the right of the heading is an information icon (i). The main content area contains four rectangular boxes, each with an icon and a description:

- Conference list**: Here you can find a list of all available conferences.
- User profile**: Your user profile contains submitted papers and allows you to change several preferences.
- Howtos**: Step-by-step instructions with screenshots for various tasks of the OCS.
- User guide**: The complete user guide in a printable PDF explains basic functions of the OCS.

At the bottom of the page, there is a footer navigation bar with four icons and labels: "User profile", "Howtos", "User guide", and "Imprint".

- Select “7th International Conference on Advances in Energy Research (ICAER 2019)”.

Welcome to the conference service of ICAER2019

Name: 7th International Conference on Advances in Energy Research (ICAER 2019)

Description: The rapid depletion of natural resources and the adverse changes in climate put forward great challenges for researchers. There is an imminent need to take stock of the current energy conversion and supply systems and to put forward new ideas in order to move towards a more sustainable future.

The 7th International Conference on Advances in Energy Research (ICAER 2019) provides an excellent platform to know, exchange new ideas, and understand the challenges related to the energy sector at large. We are certain that ICAER 2019 would be exciting and would continue the tradition of immense scientific discussion.

For more information on the conference tracks, venue, and important dates, please browse through the website(www.es.e.iitb.ac.in/icaer2019).

PC Chairs: Dr. Anish Modi
ICAER IITB

Conference flow: **Abstract Submission: February 15, 2019 23:59 IST,**
Paper Upload: February 15, 2019 23:59 IST,
Assignment of Reviewers: July 30, 2019 23:59 IST,
Review: July 30, 2019 23:59 IST,
Decision: July 30, 2019 23:59 IST,
Final: December 10, 2019 23:59 IST

- Different tracks for the conference and their details can be seen in the tab of “Sessions”.

Sessions

Sessions per page: 10

1 2 3

Name	Description
Coal (0)	Materials for carbon capture, storage, and utilization; conversion economics; carbon capture and conversion by biochemical / biological processes; adsorption and remediation; absorption and recovery processes; optimization of carbon capture and conversion processes; advanced coal technologies for sustainable use of coal; utilization of low rank coals; combustion of coal; coal-to-liquids; coal-to-chemicals; coal-to-gas.
Oil and natural gas (0)	Enhanced oil and gas recovery; new materials and chemicals for processing of oil, gas, and petrochemical products; shale gas; natural gas hydrates.
Nuclear energy (0)	Nuclear reactors; reactor physics; reactor thermal-hydraulics; reactor control; nuclear fuel cycle; nuclear power plants; progress towards controlled fusion; low / intermediate temperature applications of plasma; safety and economics.
Transportation (0)	Internal combustion engines; utilization of alternate fuels; zero emission vehicles.
Solar thermal (0)	Non-concentrating and concentrating collectors; concentrating solar power; solar thermal energy for industrial process heat; solar thermal applications (drying, desalination, cooking, cooling, refrigeration, water heating); solar passive heating and cooling.
Solar PV (1)	Silicon PV materials and devices; perovskite, organic, and dye-sensitized solar cells; thin film solar cells; reliability and performance of PV modules; fundamental studies on materials and systems modelling of PV cells; design of PV power projects; performance monitoring, operation, and maintenance aspects of PV power projects.
Biomass and biofuels (0)	Biodiesel, bioethanol, biogas; combustion; gasification; pyrolysis; torrefaction; HTL; biomass-to-liquid; bio-oil; bio-char.
Waste-to-energy (0)	Plastic pyrolysis; solid waste to energy; sewage waste to energy.
Wind, hydro, and ocean energy (0)	On-shore and off-shore wind power; repowering wind farms; ocean / tidal energy; micro, mini and small hydro power systems.
Fuel cells (0)	Fuel cells for stationary and mobile applications; catalysts and materials for fuel cells.

Title*:

Keywords*:

Sessions:

- Coal
- Oil and natural gas
- Nuclear energy
- Transportation
- Solar thermal
- Solar PV
- Biomass and biofuels
- Waste-to-energy
- Wind, hydro, and ocean energy
- Fuel cells
- Grid integration of renewables
- Microgrids and smart grids
- Electric vehicles
- Thermal storage
- Thermochemical and hydrogen storage
- Electrochemical storage
- Energy policy, economics, management
- Energy, environment, society
- Industry innovations in energy
- Energy education
